

This conversation starter is flexible for use on counter or wall space.
Choose how you would prefer to display this item and follow the instructions below.

Counter card instructions:

Unfold the piece to reveal two strips of double-sided tape. Remove the liner to expose the adhesive on the LOWER section only and attach to the small flap at the base of the piece.

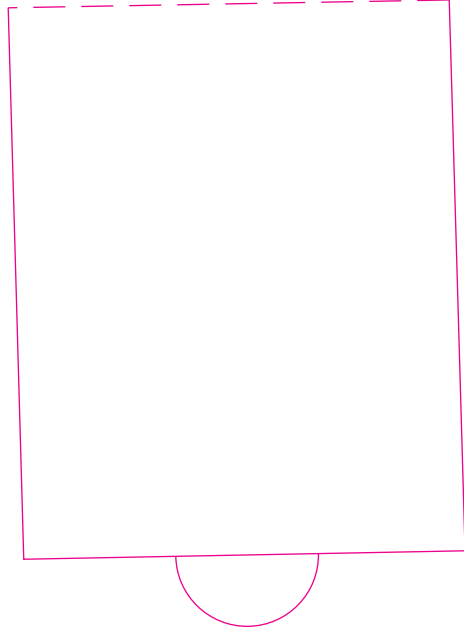

Wall poster instructions:

Tear or cut along the perforated line, located above the dog image. Turn the piece over and remove the liners from both sections of double-sided tape and affix to the wall or other flat surface.

Ask your veterinarian how to make pill time fun for cats and dogs.
